

**Consumers Cooperative Association**  
**Stockholder/Voting Member Information and Request for Stock Issuance**

You can become a Stockholder whether you are currently a Co-op member or are signing up for the first time.

Stockholders, also known as Voting Members, is a natural person who purchases one share of the Cooperative's common stock at par value of \$100 (non-dividend bearing stock). Common stock may be paid for either in cash, by conversion of accumulated equity account credits or a combination of accumulated equity credits and cash.

Each Voting Member in good standing shall be entitled to vote on Cooperative matters. A Voting Member shall be deemed to be in "Good Standing" if during the prior fiscal year, the Voting Member shall have purchased not less than the *Required Purchase Amount* of goods and services from the Cooperative. If a Voting Member is not in good standing for two consecutive fiscal years, the Cooperative may elect to repurchase the Voting Member's share of stock by tendering to the Voting Member the par value of the stock.

Voting Members have a responsibility to their Co-op. In addition to being committed to the Co-op by spending a minimum of \$500 in goods or services per fiscal year, a Voting Member should take part in the election process of the Board of Directors as well as attend the annual meeting to vote on Article/Bylaw changes and to better understand what is happening within their Co-op.

Voting Members have a voice! Electing the Board of Directors is a very important process. The Board of a Co-op has a very significant role and the roles performed by the board help to strengthen and grow the Co-op. Duties of the Board of Directors include:

- ❖ *Provide governance to the Cooperative.*
- ❖ *Establish policies, approve budgets, and develop short & long-range cooperative strategies.*
- ❖ *Monitor & evaluate performance of the CEO.*
- ❖ *Assure that the culture, values and bylaws are managed appropriately.*
- ❖ *Determine patronage refund allocations and equity credit redemptions.*

Other opportunities for Stockholders include serving as a Nominating Committee Member or running for a Board of Director position. As a Voting Member in "Good Standing" you may be contacted to find out your interest in either of those positions.
